

Dear Adams Township Students and Families,

Welcome back to a brand-new school year! Whether you are walking through our doors for the very first time or planning for your senior year, September brings a fresh start, new opportunities, and a chance for all of us to make our mark across the Adams Township School District. As we jump back into the rhythm of classes, sports and friendships, this year is about more than just checking off daily requirements—it is about how we choose to remember this year together.

To get the most out of our time here, we are focusing on three core ideas: Relationships, Rigor, and Relevance. Building strong relationships means taking time to reconnect with old friends, introducing yourself to someone new, and getting to know your teachers, who are genuinely in your corner. Real growth also comes from embracing rigor—stepping outside your comfort zone, tackling tough challenges, and discovering what you are truly capable of achieving through hard work. Lastly, by focusing on relevance, you can link what you learn in class directly to real-world issues, future careers, and your personal goals to make a meaningful impact both in our district and our community.

Let's show up for each other, hold ourselves to high standards, and make every single day in Adams Township count. Here's to a memorable, challenging, and successful school year ahead!

Sincerely,

A handwritten signature in black ink, appearing to read 'Tim Keteri', with a stylized flourish at the end.

Tim Keteri  
Superintendent, Adams Township School District
